THE ISSUE

Preparing students to succeed post-graduation means equipping them now with the skills and knowledge to identify and intervene when they witness unsafe or unhealthy behavior with friends or coworkers. Research shows that the most effective prevention education requires messaging that is tailored to diverse populations and delivered across the student lifecycle.

EVERFI SOLUTION

EVERFI's Sexual Assault Prevention Suite is a comprehensive education solution that engages students as they progress, fostering healthy relationships and preparing them to recognize and respond to sexual assault and harassment when it occurs.

Sexual Assault Prevention for Graduate Students

Equip graduate students with the tools needed to navigate new and complex relationships including how to identify and respond to harassment from a faculty member or advisor, other workplace-based harassment, how to respectfully engage with undergraduate students, and how to respond to student disclosures. *This course reflects training requirements outlined in the 2020 Title IX changes.*
